

Objective of the Conclave

Considering the impetus behind indigenization in Indian Strategic Sector, this industry conclave aims to provide an interactive platform to the leading manufacturing industries, premiere R&D institutes and dominant end users for bringing forth the major materials, integrity assessment and life extension related challenges in the path of indigenization and self reliance, Based upon the deliberations through this conclave, fruitful futuristic collaborations are anticipated, which can pave way for indigenous development of advanced material grades, component integrity assessment protocols, rejuvenation/life extension strategies etc. for Indian Strategic Sector.

Scope of the event

The conclave will feature Keynote Lectures by eminent personalities from defence organisations, major manufacturing industries and leading R&D institutions in the strategic sector.

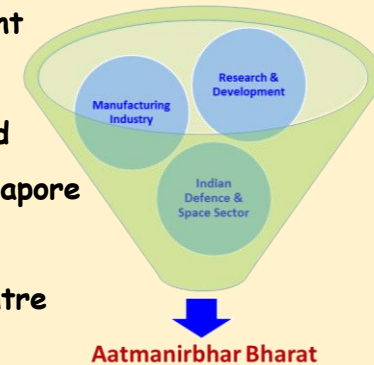

Additionally, the conclave will also feature an expert panel discussion for identifying areas of National importance as well as mutual interest, which can be considered for long term futuristic collaborations fostering the path for technological self reliance in Indian Defence and Space sector.

Participating Organizations

Eminent speakers from the following organizations will be delivering Keynote Lectures in the conclave:

- Naval Materials Research Laboratory
- Defence Materials and Stores Research and Development Establishment
- Mahindra Defence
- Hindustan Aeronautics Limited
- Metal and Steel Factory, Ishapore
- Skyroot Aerospace
- Liquid Propulsion Systems Centre
- Indian Air Force
- Indian Navy

Registration Details

Interested candidates from industry and R&D institutes may register online (latest by 21st April, 2025) for participation as a delegate, through the link: <https://forms.gle/4wELTsK2c7aM5LXL6>.

Registration fees of Rs. 5,900 (inclusive of 18% GST) may be paid online on the following bank details:

A/c Name : DIRECTOR NML
 A/c Number: 30271713826
 Bank Name : State Bank of India, NML Branch
 IFSC Code : SBIN0003329
 UPI ID : NML3329@SBI

Indigenization of Materials (IndiMat): Challenges & Opportunities in Strategic Sector

29th April, 2025 at CSIR – National Metallurgical Laboratory (NML), Jamshedpur - 831007

Tentative Schedule of the Conclave

09:00 - 09:30 am	Registration
09:30 - 10:00 am	Inauguration of the Event
10:00 - 10:30 am	High Tea
10:30 - 01:15 pm	1 st Keynote Lecture Session
01:15 - 02:00 pm	Lunch
02:00 - 03:45 pm	2 nd Keynote Lecture Session
03:45 - 04:45 pm	Visit to state of art R&D facilities at CSIR-NML
04:45 - 06:00 pm	Expert Panel Discussion on 'Way forward towards Self-Reliant Indian Defence and Space sector: Roadmap for R&D - Industry handholding'
07:30 pm onwards	Networking Dinner

About Jamshedpur

Jamshedpur, known as the Steel City of India, is an industrial city founded by Late Jamshetji Nusserwanji Tata. It is located in the eastern part of India in the resource rich state of Jharkhand. Besides

being an industrial hub, Jamshedpur is a popular tourist destination with Dimna lake, Jubilee park, Chandil dam, Dalma hills, Dasam fall and Zoological park as some of the attractions. Jamshedpur is well connected with all the major Indian cities by train. An international airport is situated at Kolkata at a distance of 250 km and Ranchi at a distance of 131 KM from Jamshedpur.

Hotels in Jamshedpur

Registered delegates are requested to book accommodation by themselves. Following contact list may be referred for convenience:
