Query	Response
Point Number (28) regarding wages for skilled worker as per Govt. of India (GOI) Guidelines.	A self- certified certificate needs to provide by bidder for compliance of GoI norms, but no price variation from the quoted price would be entertained during the contract period.
Since items are from various OEM and would be difficult to get MAF from all OEMs.	Instead of MAF from all OEMs, a self-certified declaration needs to be provided with bid by bidder stating that only genuine replacement parts will be used and replaced during CMC tenure.
Total Number of Manpower requirement	Two numbers of resident engineers are required with other clauses for manpower as mentioned in tender.
Survey of listed items (if needed) or any other query before bid submission	May be done by intimating SPO through email on spo.nml@csir.res.in and bhola.azad@csir.res.in with visiting person name and mobile number.
All bidders are requested to carefully review the tender document and submit all required documents, undertakings, and supporting documents as specified in the tender.
